Welcome to My Cloud Forest Family. We would like to thank you for providing us an opportunity to transform your home into a vibrant green space. We sincerely hope that you and your family will enjoy it. It is our responsibility to provide all the support to keep your garden lush and green always, so that it continues to be the focal point of your home.

We are happy to inform that we will provide 1 month of complimentary service for your garden. This will ensure that all the plants are well settled in their new home and are lush & blooming to enrich your space.

Post that you can opt for our premium maintenance packages. A maintenance package will go a long way in ensuring that our expert horticulturist team is looking after your garden and ensuring that you enjoy the privileges of leaving the worries to us.

Details of our Maintenance Package

1. Our maintenance team (horticulturist & gardener) will visit your place at a scheduled day once in a month for your garden maintenance. They will undertake the following services –
 - a. Soil testing
 - b. Investigation of the plants condition
 - c. Fertilizing and nutrition to plants and soil
 - d. Plants pest control
 - e. Pruning
 - f. Cleaning
 - g. Recommendation to maintain your garden till next visit
2. If any replacement of plants is required, we will suggest you and do it at a nominal cost.
3. We provide all our plants in high grade soil mix media which ensures the health of the plants. We recommend to replace potting media once in a year which can be done by our expert team at a nominally charge.
4. Gardening concierge service – We will provide 24*7 support of an experienced horticulturist for your day-to-day gardening needs. You can call him/her anytime to get support and expert advice for your garden needs. (Only applicable for Half yearly or Annual Maintenance Packages).
